- 1.2 Section 57(1) (b) of the Municipal Systems Act, read with the contract of employment concluded between the parties, requires the parties to conclude an annual performance agreement. That the parties hereby agree to have this contract developed in terms of the Local Government: Municipal Performance Regulations for Municipal Managers and Managers directly accountable to Municipal Managers.
- 1.3 The parties wish to ensure that they are clear about the goals to be achieved, and secure the commitment of the Director reporting to the Municipal Manager representing the municipality, to a set of actions that will secure local government policy goals.
- 1.4 This performance contract is between **Bavuyise Tshitshi**, the Senior Manager: Infrastructure Development and Municipal Services, and IHLM represented by **Velile Castro Makedma**, the Municipal Manager. It is for the 2025/2026 financial year only. The expected performance reflected in this contract is based on the Integrated Development Plan 2025/2026 reviewed, and the 2025/2026 Service Delivery and Budget Implementation Plan. The two afore-

mentioned documents have been adopted as the working documents of Ingquza Hill Local Municipality and therefore, shall be the basis of performance assessment.

2. STRATEGIC OBJECTIVE

The Senior Manager has the overall responsibility of ensuring that he shall be, subject to the policy directions of the Executive Committee of the Municipality, responsible and accountable for administratively being in charge of the Infrastructure Development and Municipal Services Office, performing such road and storm water construction and maintenance, electricity installation and maintenance, maintenance of streets, provision of buildings and maintenance, construction of landfill sites, street lighting, and any other functions as may be delegated to him by the Municipal Manager.

3. SCHEDULE FOR PERFORMANCE REVIEWS

3.1 The performance of the Employee in relation to his or her performance agreement must be reviewed on the following dates with the understanding that reviews in the first and third quarter may be verbal if performance is satisfactory:

Quarter	Review Period	Review to be completed by
1	July- Sep	October (informal)
2	Oct- Dec	January- February (Formal)
3	Jan- March	April (informal)

3.2.2 The Employer may amend the provisions of the Performance Plan whenever the performance management system is adopted, implemented or amended, provided that the Employee must be consulted before any such change is made.

3.2.3 The work performance and performance review will not be confined and limited to the performance plan, any incidental work outside the performance plan shall be performed and evaluated accordingly.

4. PERFORMANCE BONUS & ANNUAL SALARY ADJUSTMENT

If the Director achieves outstanding performance, he shall qualify for the annual performance bonus in accordance with the contract of employment, entered into between the Municipal

Manager and the Senior on **01 October 2025**, as well as the results of the performance evaluation agreed to in this contract. The acceptability of the level of his performance or otherwise shall be determined and declared by the performance evaluation team in accordance with the provision of this agreement, following the receipt of a report on the Director's achievement or otherwise of the KPIs as reflected in clause 4 of this contract.

Annexure A attached has listed Key Performance Areas (KPAs) and Core Competency Requirements (CCRs) that are worth 200 points in total. Each KPA and CCR consists of Key Performance Indicators that have different weightings; which weightings are then converted by the adopted rating calculator into the final weightings; which final weightings are to be assessed. The achievement of above 160 percent shall be regarded as 100% bonus warranting, above 130 percent to 160 percent, as average and warranting a proportional percentage of a performance bonus, above 80 percent to 130 percent shall warrant some form of in-kind recognition, and below 50 percent, shall require the employer to effect remedial measures that may include incapacity disciplinary enquiry.

A performance bonus for outstanding performance or an in-kind recognition of effective performance shall only be effected after,

- I. The annual report for the financial year under review has been tabled and adopted by the Municipal Council;
- II. An evaluation of performance in accordance with the provisions of regulation 23, and this contract; and
- III. Approval of such evaluation by the Municipal Council as a reward for outstanding performance or effective performance.

The increment for 2025/2026 shall be based on the provisions of the Local Government: Municipal Performance Regulations for Municipal Managers directly accountable to Municipal Managers, 2006. The employer shall grant an annual salary adjustment linked to a cost-of-living adjustment based on market indicators, which is not performance based.

5. EVALUATING PERFORMANCE

The evaluation of the employee's performance will form the basis for rewarding outstanding performance or correcting unacceptable performance.

The annual performance appraisal will involve:

- I. Assessment of the achievement of results as outlined in the performance plan;
- II. Assessing the extent to which the specified standards or KPIs have been met with due regard to ad-hoc tasks that had to be performed under the KPAs and CCRs.

The criteria upon which the performance of the employee shall be assessed consists of two components, both of which shall be contained in the performance plan:-

- I. The employee must be assessed against both components, with a weighting of 80:20 allocated to the KPAs and the CCRs respectively;
- II. Each area of assessment will be weighted and will contribute a specific part to the total score.

A five-point rating scale to be used for both KPAs and CCRs, is as depicted hereunder:

Level	Terminology	Description	Rating				
			1	2	3	4	5
5	Outstanding Performance	Performance far exceeds the standard expected of an employee at this level. The key appraisal indicates that the employee has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.					
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Employee has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.					
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Employee has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.					
2	Performance not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.					
1	Unacceptable performance	Performance does not meet the standard expected for the job. The review/assessment indicates that the employee has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The employee has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.					

The performance bonus payment shall be categorised in two bands with some ranges per band.

The first performance bonus (cash rewards) payment band ranges between 5% and 9% of the all-inclusive remuneration package, as follows:

- I. A score of above 130% to 136%, to qualify for a 5% bonus;
- II. A score of above 136% to 142%, to qualify for a 7% bonus;
- III. A score of above 142% to 149%, to qualify for a 9% bonus.

The second performance bonus (cash rewards) payment band ranges between 10% and 14% of the all-inclusive remuneration package, as follows:

- I. A score of 150% to 155%, to qualify for a 10% bonus;
- ii. A score of above 155% to 160%, to qualify for a 13% bonus;
- III. A score of above 160%, to qualify for a 14% bonus.

A performance bonus may not be paid on a pro-rata basis as the bonus is paid annually after complying with the legal requirements captured in this contract and the applicable laws.

The performance achievement ranging from 80% to 130% shall be regarded as fully effective and therefore warranting the employer to acknowledge and or recognize the employee, whichever is necessary. This category of performance acknowledgement and recognition is a non-financial rewards system. It will apply as follows:

- i. A score of 80% to 100%, to receive a letter of acknowledgement and recognition issued by the Municipal Manager;
- ii. A score of above 100% to 120%, to receive a recognition certificate from the Mayor;
- iii. A score of above 120% to 130%, to receive an academic/skills development programme grant to a maximum of R20 000.00 only; this to be paid directly to a learning institution of choice. The selected programme must be linked to the personal development plan (Annexure B).

A level of performance achievement of below 50% shall warrant the employer to execute corrective measures that may include disciplinary measures due to incapacity.

6. DEVELOPMENTAL REQUIREMENTS

The Personal Development Plan (PDP) for addressing developmental gaps is attached as **Annexure "B"**.

7. CONSEQUENCE OF SUBSTANDARD PERFORMANCE

Where the employer, at any time during the Director's employment, is not satisfied with the Director's performance with respect to any matter dealt with in this Agreement, the employer will give notice to the Director to attend a monitoring and review meeting.

The Director will have the opportunity at the meeting to satisfy the Municipal Manager or the monitoring and evaluation team of the measures being taken to ensure that his performance

becomes satisfactory and any program, including any dates, for implementing these measures.

8. RULING LANGUAGE

The parties will conclude a new performance agreement that replaces this Agreement by not later than 31 July 2026. This Agreement will terminate on the termination of the Director's employment for any reason.

10. LIMITATIONS OF THE CONTRACT

This contract is an agreement between the employer and the Senior Manager about the expected performance of the latter during the specified term. This contract is subject to the employment contract which the Senior Manager entered into on accepting his position and to South African legislation. In the case of any ambiguity, the employment contract shall prevail over this performance contract. Nothing contained in this Agreement in any way limits the right of the employer to terminate the Senior Manager's contract of employment with or without notice for any other breach by the Senior Manager of his obligations to the Municipality or for any other valid reason in law.

11. MONITORING AND EVALUATION

The monitoring and performance reviews for each quarter as determined in the Local Government: Municipal Performance Regulations for Municipal Managers and Senior Managers directly accountable to Municipal Managers 2006, shall be comprised of the Municipal Manager, and his brief will be to assess the performance of the Senior Manager in line with the performance requirements as outlined in Annexure A of this contract. Despite the in-year reviews, the employer shall establish an assessment team to conduct an annual performance review; the team shall be composed as follows:

- I. Municipal Manager,
- II. Chairperson of the Audit Committee,

- III. A member of the Executive Committee, and
- IV. Municipal Manager from another municipality.

The Corporate Services Senior Manager shall provide secretariat services to the assessment team referred to above.

12. DISPUTE RESOLUTION

The decision of the Mayor shall be deemed final and binding on both parties.

13. JURISDICTION

Regardless of the place of execution, performance or domicile of the parties, this contract and all modifications and amendments hereof shall be governed by and construed under and in accordance with the laws of the Republic of South Africa.
